Code of Conduct & Consent Agreement

This program was established to provide veterans and active-duty service members in North Carolina with access to 40 Hyperbaric Oxygen Therapy (HBOT) treatments to support healing from Traumatic Brain Injury (TBI) and/or Post-Traumatic Stress Disorder (PTSD).

These sessions are made available at no cost to qualifying veterans through funding provided by the North Carolina legislature and by HBOT4Heroes, a 501(c)(3) nonprofit supported by private and corporate donors.

HBOT is a non-invasive, clinically proven therapy designed to improve brain health, reduce symptoms of PTSD and TBI, and help prevent veteran suicide.

Program Expectations

To ensure the best possible outcomes, participants are expected to complete all 40 treatments in a timely manner—ideally within **4 weeks to 4 months**. Treatments can be scheduled **twice daily (5 days/week)** or spaced out over time, depending on the individual's needs and availability.

You will also participate in **ANAM cognitive testing** before and after treatment. This data is used to track individual progress and may be included—**anonymously**—in our Legislative Report to help sustain future funding and support for other veterans.

Participant Agreement

By signing below, I agree to:

1. Attend all scheduled HBOT sessions consistently and on time, as prescribed.
2. Notify the clinic in advance if I cannot attend a scheduled session. I understand that a **credit card may be required** on file and that **no-show sessions may be billed** to me directly.
3. Report my experiences and outcomes honestly.
4. Maintain the confidentiality of other patients receiving treatment.

- 5. Treat clinic staff and fellow patients with courtesy and respect.
- 6. Refrain from abusing any prescription or non-prescription drugs for the duration of treatment.

I understand that my ANAM and HBOT results may be used to demonstrate program effectiveness for future veteran support initiatives. I have the right to remain anonymous in any reporting or publication of data.

Print Name: _____ Date: _____

Signature: _____

**Electronic signatures accepted*

Submit Your Application

Once completed, please send your application along with the required ID and military documentation to:

Email: contact@hbot4heroes.org

After your submission is received, a Veteran Treatment Coordinator will contact you within a few business days to discuss next steps and help guide you through the rest of the process.
